

# MYTHOLOGY AND EDUCATION

## FREE one-day workshop

Greco-Roman mythology is used widely and imaginatively in teaching and outreach activities, from Early Years to Higher Education.

This event, a follow-up to 2017's Mythology and Education: History and Practice, is an opportunity to analyse the pedagogical benefits and pitfalls of teaching mythology and to share and explore effective practices and innovation within the field.

**TUESDAY 18  
FEBRUARY  
2020** 10.00am – 4.00pm

### ROOM GS4
